

AMERICA REFUSES RECOGNITION FOR RHINE REPUBLIC

U. S. Policy Is Similar To That Of The British Government.

CHANCELLOR FALLS ILL UNDER STRAIN

Situation Complicated By Demands Of Socialist Leaders.

Washington, Nov. 1.—The United States will not recognize the Rhine republic, or any other separatist government set up in German territory, it was learned authoritatively here today.

In this respect American policy is generally similar to that of the British government. The British have already served formal notice upon the French that London will not recognize different segments of a dismembered Germany.

Berlin, Nov. 1.—Chancellor Gustav Stresemann, whose master statesmanship so far has piloted Germany through the crisis of secession, strikes, and rioting, has fallen ill under the strain, it was learned here today. It was said, however, that his condition is not serious.

The situation has been further complicated by the demands of the Socialist leaders. After demanding the resignation of President Ebert and the Socialist members of the cabinet, they modified the later demand for retention of the Socialist ministers on condition the military dictatorship is converted into a civilian dictatorship.

The Socialists are urging the withdrawal of the 60,000 reichwehr troops from Saxony.

The nationalist government of Bavaria is still defying the Socialists. Gen. Von Lossow is retained in command of the federal troops in Bavaria.

It is reported that a railroad blockade may be established around Bavaria in order to protect the neighboring states and to aid in bringing the Munich government to meet Berlin's demands.

Brussels, Nov. 1.—It was authoritatively reported here today that the Franco-Belgian military officials in the Ruhr have suspended the remainder of the prison sentence imposed upon Herr Krupp Von Bohlen as a reward for signing an agreement with the occupational authorities for the resumption of the Krupp works at Essen.

Herr Krupp Von Bohlen was sentenced to 15 years' imprisonment on May 8 last on the charge of conspiring with the directors of his plant to obstruct the French.

COUNTY RED CROSS DRIVE IS PLANNED

Central District Campaign Includes Small Towns And Townships.

Liberty, Nov. 1.—John C. Hessler, county chairman for the seventh annual Red Cross membership drive, is busily engaged in preparing plans for the campaign which will begin Sunday, Nov. 11.

The drive will be in the central district of the county which includes the following towns and townships: Lisbon, Rogers, East Palestine, West Point, West Fork, East Fairfield, Negley, Gavers, Kensington, Clarkston, Homestead, New Waterford, Millport, Hixsonville, Summitville, Salem and Elkrun townships.

In each one of these towns a team will be formed to have charge of the drive and it is proposed to make the campaign short, so that each one of the sub-divisions and auxiliaries can report early to the central office here.

The drive will start with a personal appeal by the pastors of all the churches in the central district to their congregations on Sunday morning, Nov. 11. Monday morning following the announcement the teams will start the campaign.

KIWANIS SUPPORT FOR WATER ISSUE

F. J. Eckstein, member of city council, explained the proposed city water project at the meeting of the Kiwanis club Thursday noon at the Elks home.

Cold Run and the water plant that the city proposes to erect there, a bond issue for which will be before the voters Nov. 6, were described by Councilman-at-Large Eckstein.

At the close of the talk the club voted unanimously to support the measure at the polls.

Open Switch Causes Fatal Train Crash

Philadelphia, Nov. 1.—Three men, the crew of the H. H. Clark, Port Richmond to Harrisburg milk train from the Philadelphia and Reading railway, were killed early this morning when the train crashed into a coal tipple here. It is said the switch was thrown open.

Germany Will Not Break Up, He Declares.

Dr. Otto Wiedfeldt.

Dr. Otto Wiedfeldt, German ambassador to the United States, pictured on his return from Germany, declared the separatist movement is sure to fail, and that Germany will not be broken up.

FOUR MEN NABBED AS COUNTERFEITING PLOT IS REVEALED

Engravers Of Spurious \$20 Bills Now Sought; Girl Aids Officers.

Chicago, Nov. 1.—Four men, who federal secret service operatives say have flooded a dozen different cities between New York and Denver with spurious \$20 bills, were held here today while engravers of fully \$100,000 worth of the alleged worthless currency were sought in what secret service operatives believe is a counterfeiting plot of nation-wide proportions.

A bobbed-haired blond cabaret dancer from Kansas City, whose affections were won then spurned by one of the gang, brought about arrest of the four men and is cooperating with officers in the further search.

The four held are Lewis Kettler, Ralph C. Odham, Bob White or Witte, and Edward C. Bronson. Treasury department operatives state that Bronson has confessed.

Bronson and three companions, after distributing \$5,000 of the bad bills, had started on a motor trip west with a suitcase containing \$50,000 more, officers said. The motor trip led through Kansas City. It was there the cabaret girl won Bronson's confidence and gave him her affections. When they quarreled and he said he was through "she sought officers."

The first \$50,000 worth of the bills, according to federal operatives, was put in circulation in Chicago, St. Louis, New York, Milwaukee, Rock Island, and Moline, Ill., Omaha, Denver, Boulder, Colo., and Kansas City.

The secret service men said the bills which are a dangerous likeness appeared in numbers at New York at the Dempsey-Klips fight. They were engraved copies of federal reserve notes, bearing serial numbers A-207, A-208, B-138.

Shortage Of Labor Delays Efforts To Reopen Tut's Tomb

Calro, Nov. 1.—Arrangements to reopen the tomb of Tutankhamen, in the Valley of the Kings, was frustrated today by a shortage of labor to clear away the 16,000 tons of earth resting on top of the grave.

Labor is still inundated by the annual flood in the Nile, which has added to the difficulties as many Egyptian laborers were employed in removing goods from the flooded district. However, the waters are now receding.

Howard Carter, eminent Egyptologist, in charge of the work of reopening the tomb, hopes to be able to re-enter the grave next week to examine the 3,000 year old mummy of the ancient Pharaoh.

Convention City Will Be Selected

Washington, Nov. 1.—John T. Adams, chairman of the Republican national committee, suggested today in a letter to President Coolidge that a meeting of the committee be held in Washington, Dec. 11 and 12, to select next year's convention city and discuss other problems of party organization and finance.

A meeting of a sub-committee of the national committee will be held here Nov. 15, to receive applications of cities which desire to entertain the 1924 nominating convention.

Church Council To Meet Friday Night

At a special meeting of the finance committee of the Church of Our Saviour it was found that progress had been made in the past year and plans were made to hold a special meeting of the church council Friday night. The council includes every officer, teacher and group leader in the church.

The meeting will be held in the parish hall at 7:30.

NATIONAL TEMPLE CORNERSTONE LAID BY 20,000 MASONS

Temple Erected To Memory Of George Washington, First Master.

COOLIDGE AND HIS CABINET PRESENT

Great Building Overlooks Potomac; Fund's Raised Among Masons.

Alexandria, Va., Nov. 1.—Twenty thousand Free Masons, gathered from every grand jurisdiction in the United States, assembled here today to lay the cornerstone of a great national Masonic temple to the memory of George Washington, America's first president and foremost Mason of all time.

President Coolidge, members of his cabinet, high government officials and several scores distinguished guests, were in attendance to witness this outstanding event in the history of American Free Masonry—the materialization of the dream of the century.

The occasion marked what is probably the greatest gathering of Blue lodge Masons since the inception of the fraternity. Every grand master in the country, or his accredited representative was present. In addition as a tribute to Washington, the army, navy and marine corps were represented.

Strictly Masonic services were observed throughout the ceremony. All members wearing their lambskin aprons and white gloves. Right Worshipful Charles H. Callahan, deputy grand master of Virginia, presided in the absence of James H. Price, supreme head of Masonry in Virginia.

The same trowel used by Washington in laying the cornerstone of the United States capitol spread the cement over the initial stone in the newest monument to the first American.

Overlooks Potomac

President Coolidge, himself not affiliated with the Masonic fraternity, took no active part in the ceremonies, attending merely in his official capacity as chief executive in honor of his most distinguished predecessor.

As the services were under way, the giant cruiser Richmond boomed a salute from the Potomac river, and a squadron of airplanes offered their tribute from the skies—particularly fitting examples of the advance of the great nation founded by Washington.

The great monument, to be known as the George Washington Masonic National Memorial is built on the heights overlooking the Potomac river, between Washington and Alexandria.

The site of the temple is known as Shooters Hill. It was once the property of Washington and but for his objection, it would have been the site of the United States capitol. Jefferson and Madison had selected the site, but Washington feared he would be criticized should his personal property be thus used.

The temple will cost approximately \$4,000,000 including extensive landscape gardening, all raised by popular subscription among the Free Masons.

SALEM LIGHTING CO. EMPLOYEES BANQUET

C. M. Piper Is Toastmaster As Youngstown And Salem Men Speak.

Directors and employees of the Salem Lighting company and their invited guests numbering 45 participated in a dinner and card party at the Elks home Wednesday night.

The dinner, served at 6:30 in the lodge room was featured with seasonal novelties and the decorations were carried out in tones appropriate to Halloween observance. C. M. Piper of the local office officiated as toastmaster.

The speakers were E. F. Hauser, manager of the Salem Lighting company; J. D. Andrew of Youngstown, president of the Salem Lighting company; C. S. McCalla, vice president and general manager of the P. & O. Co., at Youngstown; E. H. Bell, manager of the Light & Power division of the P. & O. company at Youngstown, and Atty. R. W. Campbell of Salem.

The latter hours were devoted to cards "500" and bridge being the favored games.

Berlin Will Permit Prince To Return

Milan, Italy, Nov. 1.—The Berlin government has given permission to the former crown prince to return to his estates in Silesia on condition the trips kept secret to avoid political demonstrations, according to a confident report received here today.

Wilhelm, in his request to Berlin, said he merely wished to return to Germany to rejoin his family and live as a private citizen.

Divorced, Ends Life

Wheeling, Nov. 1.—Mrs. Mattie Dayton Charles, 35, of Triadelphia, a suburb, divorced by her husband three weeks ago, just before midnight shot herself through the head.

City Councilmen Urge Voters To Support Water Bond Issue

Cold Run Plant Will Provide The City With Pure Soft Water, Sufficient Supply At Less Expense, They Declare.

To the Voters of Salem:

For three years the Salem City Council, service director and interested citizens have tried to find a permanent solution of Salem's water problem.

The best expert advice available has been obtained. Every possible source of supply, from the three important standpoints of quality, quantity and cost, has been investigated.

The result of all this is that we are submitting to the voters of Salem next Tuesday for their approval what is now well known as the Cold Run project. In our opinion (arrived at only after the most careful deliberation) this is the only solution of the problem which will meet the three requirements mentioned.

It will provide Salem with pure, soft water.

It will provide Salem with pure water double the supply available from present and investigated wells.

It will greatly reduce the cost of maintenance because it eliminates one pumping.

That is the whole story. There are many details, of course, and each and every one has been considered in arriving at the above conclusion. If Salem is to grow and prosper we must have:

First, more water, second, cheaper water, and third, safe water from the standpoint of health.

All this is assured us in the Cold Run project.

This project requires a preliminary expenditure of \$300,000. This will have to come from general taxation and two-thirds of the voters must approve before the city can act. After

that, the waterworks department will be able to finance itself—to pay interest on the borrowed money and pay for completion of the entire project.

As your public servants we feel it our duty to recommend to you the approval of the Cold Run project. For a time, the \$300,000 bond issue I voted will increase your tax—probably about \$2 per thousand dollars of taxable property per year at first.

These taxes will be gradually wiped out as the plant is paid for. This may be hastened by the increased consumption of water made possible because of the adequate supply and because it will be soft water. We believe every tax payer in Salem is justified in looking upon this proposal as an investment rather than an expense.

Every objection, even after active now being offered in the current discussion of the Cold Run project has been previously considered by us, but after weighing all the evidence, we have decided in favor of Cold Run.

This decision was reached solely on the basis of merit and the permanent best interests of the community. We respectfully ask you to join with us in voting for it next Tuesday.

MORTGAGES BOOST COUNTY RECEIPTS

County Recorder Reark announced Thursday that the receipts in fees at this office during the month of October exceeded any previous October in the history of the county, the total being \$1,047.69.

Only twice in the history of the county has this total been exceeded in any month, the first time being in 1922, when the receipts were \$2,932.72, and in May, 1923, when the receipts were \$1,072.28.

The increase is due to the numerous chattel mortgages which are being recorded, a total of 441 being presented for record during the month.

England Drawing Treaty to Permit Search of Ships

Search Liquor Smuggling Suspects Beyond The 3-Mile Limit.

London, Nov. 1.—The foreign office today is engaged in drawing up an Anglo-American treaty which will give United States the right to search suspected liquor smuggling ships flying the British flag beyond the three-mile territorial limit of American waters. The treaty will be along easy lines.

Both the foreign office and the American embassy stated that no mention will be made in the treaty of a 12-mile limit.

Secretary of State Hughes at Washington originally proposed that the American territorial limit be extended from 3 to 12 miles, but England refused to consent to any specific zone.

A counter proposal was made that the United States be granted permission to search suspected ships "beyond the three-mile limit." Washington agreed to this suggestion. In return the United States granted permission to legitimate British ships to carry liquor under seal into American ports.

It is understood the treaty will impose no restrictions upon American freedom of search although there is a tacit understanding that the American authorities will use discretion so as not to embarrass British shipping.

Great Britain pointed out that recognition of a specific 12-mile limit would lead to controversies with Russia and other nations which would endanger British rights. Russia has been contending for extension of her own three-mile limit so as to expand the Russian fishing industry.

Man Hunt Under Way As Auto Strikes Two

Chicago, Nov. 1.—A man hunt was under way on Chicago's South Side today for the driver of the large touring car who fled after striking down a mother and her little daughter as they attempted to cross the street after alighting from a street car.

Mrs. Anna Joyce, 35, and Dorothy, 8, were dying according to physicians at Washington hospital.

2 Crosses Burned On Streets

During the Hallowe'en celebration here Wednesday night, two crosses were burned on streets in the business district.

One cross was thrown from an automobile at Lundy and Main sts. while the crowds the parade and costumed.

The other one was erected on Broadway, midway between Main st and Pershing ave. Few people saw this one, as the crowd had surged east on Main at that time.

The crosses, wrapped in tar paper and soaked in oil, burned brightly. No effort was made to extinguish them.

POWDER AND FUSES DISCOVERED IN AN ABANDONED SHED

Sheriff Investigating Part Explosives Had In The Salem Bombings.

Sheriff Layden and Detective Harrison of Mahoning county, who found 29 pounds of blasting powder and fuses in an abandoned shed near Snodes in that county late Tuesday, are still investigating to see if the explosive had any connection with the recent bombing in Salem.

Chief of Police T. W. Thompson has so far received no word from the Mahoning county authorities. Prosecuting Attorney Jesse Hanley stated Thursday that he had been out of town but that no notice had been sent from Mahoning county concerning the matter.

It is believed that Sheriff Lyden is investigating in his county before taking it up with local police and Columbiana county authorities.

L. Smith, a farmer near Berlin Center, first discovered the blasting powder and fuses wrapped in tar paper. He notified the officers but no trace could be found of the owner.

The shed has been abandoned for some time and no one has been reported near it.

Thursday morning it was reported that a former member of the citizens committee of Salem, which was formerly active in prohibition raids, had received his fourth threatening letter.

Exciting Contest

A dusky comedian, with a banjo on his back, was almost professional in his characterization. And a big black mammy, who happened to be a male, created no small amount of mirth.

Contests, mostly of the "eat" variety, were staged immediately after the parade at various corners. Berry pie, crackers and apples were stuffed down the throats of many would-be winners of the dollar awards.

Perhaps the most interesting and exciting event was the tug-of-war between the Sophs and freshmen of Salem High school.

In three straight "pulls" the order had more experienced novices took the trophy cup. But the second year men did not take the contest in a walkway. It was a tight match but science added to strength won each pull for the sophs.

At 9 p. m. when the contests and parade were over Salem streets were still thronged with merrymakers. Bent on crowding many weeks' anticipation into a night's reality, boys and girls, and grownups, all as one vast crowd of worshippers of black cats and the rampant spirits loosed on this night of nights, made gay with confetti and other harmless aids to fun until a late hour.

Church Endowment Fund Grows; Rector Will Announce List

At the All Saint's Day memorial service at the Church of Our Saviour Rev. F. S. Eastman read the names that have been placed on the endowment fund list.

Each family ever having had any connection with the church can on the payment of \$5 or more, have the names of their deceased friends on the list.

The rector is urging members of the church to remember this fund in their wills. One thousand one hundred and ten dollars has already been subscribed or promised in wills.

Sunday morning at the regular service this list will be read again. Anyone desiring information concerning this fund is asked to call.

Train Overturns, 75 Are Injured

Charleston, W. Va., Nov. 1.—Five persons were seriously hurt and 70 received cuts and bruises when two coaches of B. & O. trains 62 overturned near Orlando today, according to reports received here.

The cause of the derailment was not learned. The train runs between Charleston and Richmond.

Woman Awarded \$186, Will Appeal Verdict

Sarah Dellenbaugh, of North G. Georgetown, in a suit against J. J. Cuddeback, a lumber dealer was awarded \$186.25 by Judge G. A. Starn at Lisbon Wednesday. The plaintiff had asked that Cuddeback pay her for the additional use of the timber land in question which amounted to one year, and for damages from tracks that Cuddeback made in the tract of land when he drove his logs out.

Attorneys for plaintiff announced that the trial would go to the court of appeals on error.

The plaintiff maintained that Cuddeback longer than the specified time and she should be paid for that rental.

Auto Turns Over

The car of Herbert McConnell turned over and was partly wrecked on the Benton rd. Wednesday. It was reported that McConnell was driving in the direction of Salem when the accident happened. He was alone in the machine and escaped unhurt.

LEGION IN CHARGE OF CELEBRATION

Contests Follow Parade In Which Many Unique Costumes Appear.

Hallowe'en that spooky night of ghosts, goblins and witches, is over. Wednesday night, the eve before All Saints day, was celebrated in Salem by a hilarious carnival of fun. The spirit of merriment prevailed and was for most in the minds of the hundreds who crowded Salem streets.

The American Legion should feel proud of the carnival which was staged under its auspices. From the opening "gun" at 7:30, when the parade started exactly on time, to far past midnight when the merrymakers grew tired it

Andrew Bonar Law

A MAN who chose to be a com-
mencer in England rather than a
lord is dead. Andrew Bonar Law, late
premier, who resigned five months ago
because of ill health, but remained in
parliament that he might continue to
be of service to his country, suc-
cumbed to the disease which had fast-
ened itself upon him before he accept-
ed the premiership.

Bonar Law was Canadian born. He
became a successful iron merchant in
Glasgow. He was 42 years of age be-
fore he actively entered politics. His
popularity was great and he might
have been premier in 1916, when, be-
cause of his refusal of the king's offer
of that post, Lloyd George was named,
and gathered the honors that Bonar
Law could have won as the leader of
England in the World War. Instead
he accepted the post of chancellor of
the exchequer, for which his business
training admirably fitted him. There
he continued the important and valu-
able service, which held him on the
British people as one of its great men
throughout that period, interrupted
only by a forced retirement, then also
because of the condition of his health.

A Conservative in politics, he be-
came the foremost man in England
when the whirligig of politics after the
war caught Lloyd George. He accept-
ed the premiership, with its peace re-
sponsibilities, only on condition that
he would resign if his health demand-
ed. He was forced to do so, and Stan-
ley Baldwin, his chancellor of the ex-
chequer, the present premier, succeed-
ed to carry forward the business ad-
ministration which Bonar Law had in-
stituted and which had contributed
so much to the economic rehabilita-
tion of Great Britain.

Possibly no man in England has oc-
cupied such responsible positions in
the government of that country in so
short a political career, limited to 13
years. Long experience in business
fitted him to grasp the exigencies of
the period through which he held pub-
lic office. No man ever met them
more capably, or will be missed more
in England.

Efforts At Enforcement

PRESIDENT COOLIDGE evidently
means business in the matter of
law enforcement. His administration
has made notable progress toward
the negotiation of an agreement with
Great Britain for the establishment
of a 12-mile limit off the American
coast for the search and seizure of
rum-running ships. And in Chicago
a great effort is being made by fed-
eral authority to close the illegal
drinking places. The president has
not talked much on this subject but
he is acting, which is better.

Doubtless these efforts will improve
the enforcement situation to some ex-
tent, though they cannot make it what
it ought to be as long as the enforce-
ment service is, as Gov. Pinchot and
other dry leaders have said recently,
full of corruption. It is said that the
Volstead law was put through under
an agreement between some of its
principal advocates and certain lead-
ers in congress that the jobs created
by it should be regarded as political
spoils. Not until that alleged agree-
ment is abrogated and these official
positions are awarded on a basis of
fitness can there be much hope of an
honest effort at enforcement all along
the line. The fundamental difficulty
is the bad sentiment which exists
widely, that a good citizen is justified
in violating the prohibition law. It
will take a long time at best to erad-
icate that false sentiment, but a no-
toriously weak and sinful enforcement
service merely strengthens and ram-
ifies it.

Almost Repeated.

Of two friends staying at a hostelry
where most keys fit most doors, one
went off to bed, undressed, and
turned in, mistaking his friend's room
for his own. Half an hour later the
friend followed, saw his bed occu-
pied, and returned to the coffee-room.
"Did you see me go to my room just
now?" he said to the night porter.
"Yes, sir," was the reply.
"Well, then, why didn't you tell me
I'd gone to bed already?" he grunted,
and continued to finish the night on
a chair in front of the fire.—Yorkshire

WHY TAKE A CHANCE?

I heard an argument between two

physicians one day, one a general

practitioner and the other a lung spe-

cialist, that is worth recording.

It was a case of a tubercular sus-

spect, a young married man with a

responsible position.

After making the physical examina-

tion there were symptoms such as

would point to tuberculous, such as

a constant cough, and an occasional

night sweat, a very slight rise in

temperature and a tired out feeling.

On the other hand, the man had a

good appetite, was losing very lit-

tle weight if any, and was at work

every day. No germ could be located.

The physician and the specialist

were old friends.

The diagnosis of the specialist was

that it was early tuberculosis.

The diagnosis of the practitioner was

that the man was a bit run down and

just needed a tonic and a rest out-

doors.

The specialist easily clinched the

matter in this way.

"If I'm right and he has tubercu-

losis we have got him in good time,

and he will be a sure cure. Even if

I'm wrong what about my treatment?

Will it be good for him or not?"

The general practitioner was silent

for a minute and then said:

"You're right. I have no right to

have him take a chance."

The young man went to a well

known sanitarium for nearly a year,

and came back strong and well.

That was nearly ten years ago and

there has been no recurrence of his

cough, temperature, night sweats, or

"tired out feeling."

What's the lesson?

That every case of suspected tu-

berculosis should be treated as if it

were really tuberculosis.

Even if the patient cannot or will

not go to a sanitarium, the usual

treatment for tuberculosis should be

instituted.

It is simple enough—fresh air all

the time, good nourishing food, rest

most of the time and then light ex-

ercise outdoors as strength returns.

In any case it is the safest as a

real case, and never "take a chance"

in the matter.

SEBRING FIGHTS FEVER EPIDEMIC

Scarlet Fever Breaks Out,
Several Children Are
Reported Ill.

Sebring, Nov. 1.—An epidemic of
scarlet fever among children has
broken out here.

More than a half dozen children
are confined to their beds with the
disease now, and several others are
showing symptoms of contracting it,
health officials here announced to-
day.

In most instances, those ill from
scarlet fever here are children under
school age.

Every precaution to prevent the
spread of the epidemic has been
taken. Strick quarantine is being es-
tablished in homes where the fever
exists and parents are being urged
to keep all school children at home
who show symptoms of the disease.
Although two new cases were
added to the list yesterday, bringing
the total number above the half dozen
mark, health officials do not view the
epidemic as serious.

SULPHUR CLEARS A PIMPLY SKIN

Any breaking out of the skin on
face, neck, arms or body is overcome
quickest by applying Menthosul-
phur. The pimples seem to dry
right up and go away, declares a
noted skin specialist.

Nothing has ever been found to
take the place of sulphur as a pi-
mples remover. It is harmless and in-
expensive. Just ask any druggist for
a small jar of Rowes Menthosulphur
and use it like cold cream.

STATE PROPERTY TOPS 31 MILLION

Institutional Farms Yield
\$885,000 Worth Of Crops
Report Reveals.

Columbus Nov. 1.—State owned
institutions of Ohio are worth \$31,-
000,000.

Latest appraisal of property in the
name of the commonwealth, under
the direction of the Department of
Public Welfare shows a valuation
even in excess of that amount.

Valuation of lands owned by the
state of Ohio totals \$2,888,954; build-
ings at state institutions, \$20,740,036;
supplies, material and equipment, \$5,-
885,054, and the manufacturing and
sales division, \$718,113.

Number of acres of land owned by
the people of Ohio, under the name
and control of the state, is 13,222 at
the various institutions, nearly 23 in
number. In addition, there are

under lease 1,238 more acres. Of the
acreage controlled by the state 10,-
037 are tillable and 8,357 under culti-
vation.

State farms are wonderfully pro-
ductive, under intensive cultivation,
figures show. They produced, dur-
ing the last fiscal year, products val-
ued at \$885,119, including the output
of orchards and dairies. This is the
greatest return from state lands in
the history of the welfare depart-
ment, for any year previously, it is
said.

SOCIETY

Goshen Harmony Club

Mrs. C. D. Carr was hostess Wednesday afternoon to members of the Goshen Harmony club at her home, Ellsworth ave. Ten of the members were in attendance while Mrs. Anna Heffner of Cleveland and Mrs. Otis Rhodes of Greerford were welcomed visitors.

The Halloween season was favored in the decorative scheme and the hostess served a delicious lunch. In three weeks the members of this club will be guests of Mrs. Henry Hallobaugh, at her home in Goshen Center.

South Side Club

Members of the South Side club and their husbands held a most interesting Halloween party Wednesday night at the home of Mr. and Mrs. Herbert Zimmerman, Depot rd. The entire company wore masquerade costumes and the home was fittingly decorated for the occasion with Halloween colors and novelties. A fine lunch was served and the evening devoted to reasonable pranks, games and stunts.

On Thursday, Nov. 8, members of the club will be guests of Mrs. Louis Schilling, Lisbon rd.

Sterling Club

Members of the Sterling club and their invited guests held an enjoyable party Wednesday night at Clara Finney's beauty parlors on North Lundy st. A covered dish dinner was served at 9 o'clock following the mardi gras parade.

Halloween decorations made the rooms attractive and a general social time followed the dinner. At the next meeting in two weeks the club members will be guests of Miss Louise Goshen, Tenth st.

Masquerade Dinner Party

Mrs. Lester Koenreich, Mrs. Maude Treat, Mrs. Virgil Battin, Mrs. Clarence Metz, Mrs. Floyd Paxson and Mrs. Herman Wright gave a masquerade dinner party at the Country club Wednesday evening in honor of their husbands and children. The table was lighted with candles and was beautiful in Halloween decorations. Games, music and dancing formed the evening's entertainment.

Surprise Dr. Hogan

Dr. E. Y. Hogan was completely surprised Tuesday night when about a dozen of his neighbors called unexpectedly at his home in McKinley ave., as he settled himself for the evening with a new book claiming his attention.

The company spent the evening with informal social diversions and refreshments were served.

Two Couples Married

Mrs. P. M. Kendall, assistant pastor of the Christian church at Lisbon, performed two wedding ceremonies Wednesday afternoon. The first was that of Hattie B. Kirk and James B. Barnes of Salem, and the second was that of Susie Beight and Thomas Lawton, both of East Palestine.

Marriage Licenses

Bessie Kouba and James Javris, both of Salem, were married in Lisbon Thursday morning at the office of Justice Claude Albright. A marriage license was granted to Miss Ruth M. Wilkinson and K. M. Benninghoff, both of Columbiana.

F. P. Smith, his daughter Mrs. Cora Trotter, her son Wallace and M. E. Lewis left Thursday morning for Florida where they will spend some time. They will visit Mr. Smith's sister in that state and will probably spend the winter there. Mrs. Wallace Trotter and baby will leave Salem in two weeks by railroad to join the family.

Mr. and Mrs. M. E. Mehrton of Washington, D. C., arrived in the city Thursday morning to spend a few days with Mrs. Mehrton's mother, Mrs. Susan Schwartz, East High st.

Mrs. Mary Greenawalt of Damascus spent Wednesday with Miss Nora Greenawalt, at her home in Garfield ave. She visited other friends and relatives in this vicinity Thursday.

Mr. and Mrs. W. H. Matthews have returned from a trip through Nebraska and other western states. They have been gone several weeks.

S. B. Hall, Walnut st., who has been critical ill is slightly improved.

Find No Relatives Of Railroad Victim

No information leading to the identity of relatives of William S. Jewell, 39, killed Tuesday noon by a train in Columbiana, was available in a message received Wednesday from the chief of police at Shelby.

Wick Fry, Columbiana undertaker, is holding the body of the dead man at his undertaking parlors, in Columbiana, pending the appearance of relatives to claim the body, or for identification of the same.

Providing the body is not claimed by Saturday, funeral service will be held at 3 p. m. that day at Fry's funeral parlors, burial in Columbiana cemetery.

King George and Queen Elizabeth of Greece will soon sail for the United States, personally to thank the people of America for the aid rendered Greece through the Near East Relief commission. They will spend some weeks in California, where the king will study fruit growing methods. The California climate is said to be very similar to that of Greece.

Wednesday in Lisbon with her mother and sister.

The Magazine club met at the home of Mrs. W. J. Ellyson Wednesday afternoon. During the business hours these officers were chosen: President, Mrs. Elizabeth Gilbert; vice president, Mrs. Ethel Cameron; secretary-treasurer, Miss Deborah Pennington; program committee, Miss Margaret Koehler; and Mrs. Gibbs, Mrs. Blanche Veiercher, Mrs. Elizabeth Gilbert and Mrs. Sarah Ellyson. They drew names at this time for the Christmas fund.

The program covered the sixth chapter of the original story by Mrs. Alice Gibb; a paper on "Can a Woman Run a Home Successfully and Hold a Position," Mrs. Margaret Chambers; a concert reading by Mrs. Elizabeth Primm and Mrs. Alice Gibb, featured by music. A social period followed the business and program periods.

Word was received Thursday from Mr. and Mrs. E. J. Stanley, Miss Ella Butler and Mrs. Emma Butler from Kansas City. They are enroute to California after an extended visit in Damascus and vicinity. Mrs. Emma Butler was reported not to be so well and that she is confined to her bed.

Pleasure is a necessary reciprocal; no one feels it who does not at the same time give it. To be pleased one must please.

"STOMIA SHOWED HER THE ROAD TO HEALTH!"

Well Known Local Lady Pays Tribute to the Merits of This Wonder Remedy.

"The quick results Stomia gave in my case certainly was a glad surprise to me," says Mrs. Verna Read, 2704 2nd St., N. W., Canton, Ohio.

"I had a great deal of trouble with indigestion and stomach disorders. It seemed as though everything I ate soured and made me miserable. After trying so many remedies that I began to get discouraged, a friend recommended Stomia to me. The first few doses gave me instant relief and I began to feel like my old self. That tired feeling has left and I am sleeping like a child. My appetite is very good—now I can eat the things I like best. Stomia is a very worthy medicine and deserves a lot of consideration. To all my friends and acquaintances I gladly recommend it."

Stomia, coming in contact with the stomach gives an alkaline effect which overcomes acidity. They either avoid distress after eating or else quickly relieve it, be prepared. Get a bottle today at J. H. Lease Drug Co.

Thomas M. Hibler
Thomas Murray Hibler, a former resident of Salem, died last Tuesday at his home in Marion, Ind., where he had lived for many years. He leaves his widow, one son, Elwood, and one sister, Mrs. Emma P. French.

The body will be brought to Salem, and friends may view it at the home of Mrs. French, 2 East High st., at 2:30 p. m. Friday. Interment in Hope cemetery.

STOCKS

FURTHER ADVANCES

New York, Nov. 1.—The execution of a large volume of buying orders caused further advances at the opening of the stock exchange today. Gains were fractional except in Stromberg and United States Rubber preferred these stocks rising 3/4 and 1 1/2 points to 68 and 85 respectively.

U. S. Steel was unchanged at 91 1/2. Bethlehem Steel at 49 1/2 and American Locomotive at 71 1/2, were up 3/4 and Gulf States Steel up 1/2 to 77, while Baldwin was 3/4 lower at 120 1/2. Maryland Oil was 3/4 higher to 19 1/2. Pan American 3/4 to 58 1/2.

Coppers were firm. Railroad shares were fractionally higher.

Ohio Woman, Friends Minister, Is Buried

Mt. Pleasant, Nov. 1.—Funeral services were held here Wednesday for Mrs. Hannah Webster Hall, 87, woman minister of the Friends church, who died Sunday at the home of her son, Paxton B Hall, near Pleasant Grove, Belmont county.

Mrs. Hall, a descendant of Daniel Webster, was one of the leaders in the ministry of the Quaker church more than a quarter of a century ago. She made several preaching tours of England and one to Australia. Her tours were successful from the viewpoint of interest of citizens of those countries, according to her book written on her experiences.

She leaves three children, Austin Hall of Chicago, Mrs. Edward N. Boggs of St. Clairsville, O and the son at whose home she died.

Girl Shot Fatally In Hallowe'en Prank

Cleveland, Nov. 1.—Evelyn Hauth, 13, is lying at the point of death in a hospital here today the victim of a Hallowe'en prank. She was shot through the abdomen late last night.

Two boys, aged 12 and 14, said to have been playing with a gun, were questioned by police but released. They said they had found the weapon in a shop and that its discharge was accidental.

Former "Rug" Of County Now Among Elite Grid Elevens

Leetonia High Has Great Team To Throw Against Salem Saturday.

Leetonia High, which used to be a gridiron rug on which other county teams tramped annually without mercy, has in the last half decade jumped from a cellar team to one of the best in the county. And the team that this year represents Leetonia is regarded as the best that the school has ever turned out.

With those facts in mind fans can turn to the subject at hand, namely the Leetonia High-Salem High battle at Reilly field Saturday afternoon. This annual game, one of the oldest in Red and Black tradition, will this year be a real battle.

Leetonia, for one thing, is out to win the county championship. And Salem High will attempt to redeem the disaster of last week at East Liverpool. Those two facts together give all promise that the game will be one of the best ever seen on a local field.

Coach Shupp this week is pointing his men for this game. In fact the Leetonia coach has been pointing his men for this game for three weeks.

But Coach Richtman of the Red and Black is losing no time whipping his line and backfield into shape for what many regard as the hardest game of the county season.

Gortick and Vollmer have added lots of pep to Salem this week. Simmonds has been shifted to his position at guard with "Butch" back at center.

Saturday fans will be privileged to see two games. The second team, that has been stepping right along this season, will take on the Columbiana varsity before the big game.

Hours loss will be keenly felt by the scrubs as the little field general was easily the star of the second team. Who will be shifted to quarter on the second team is a mystery. Roachback is being used this week but Coach Richtman is trying out several men for the job.

The seconds were beaten once this year, and that time by Columbiana, 12 to 0. So the scrubs are out to avenge that game.

SCHAFFER ELEVEN MAY PLAY CANTON

Although final arrangements have not been made the Schaffer Independents will probably go to Canton Sunday to play the Sinclair Oils. Ohio champions of last season, in the side stadium.

The Sinclair Oils are regarded as the best team in the state in the lightweight professional division. Last year they not only won all their games but defeated some of the heavy teams of the National Professional association.

Many of the Schaffers were badly battered in last Sunday's game with the Massillon Pan Handles and may not be able to start Sunday. Manager Webster stated Thursday that final word would be received Friday concerning the game.

WOOSTER RISKING TITLE IN BATTLE AGAINST RESERVE

Boles' Crew Will Have To Step Fast; Wesleyan Tackles Aggies.

Cleveland, Nov. 1.—One by one the elect of the Ohio conference have dropped from the group of the select and undefeated eleven. Last week's surprises toppled both Denison and Mt. Union, when those two teams failed to live up to their early season form and succumbed to already defeated elevens.

At present, Wooster, Ohio Wesleyan and St. Xavier alone can count

their games played in terms of victories. The first named, with four wins and no defeats, is the only leader to risk anything in this Saturday's battle, the Presbyterians meeting Western Reserve at Cleveland. Mt. Union, with all the ups and downs possible, meets Case at Alliance. Thorpe's eleven received quite a bump at the hands of Akron. The Purple line held fairly well, but the open field running of Jenkins, Akron's star half, was too much.

Having won their first conference battle in four starts in last Friday's victory over Reserve, Ohio university's warriors was after more blood. Saturday they met Kenyon at Athens. Kenyon, truly termed a "pucky" eleven, outweighed, handicapped by injuries, fought gamely against Wittenburg, losing 28-7.

Flushed with its second annual victory over Amherst, Oberlin takes on Cincinnati at Oberlin.

Completely outplaying Mt. Union, Akron faces a tough struggle, with Ohio Northern in Saturday's conflict at Ada. The Norsemen, led by Cliff Kerschner, have a .750 average and are a truly dangerous team.

Among the non-conference games Ohio Wesleyan meets Michigan Aggies at Delaware and unless handicapped by injuries from the Colgate fray, should win.

John Carroll, after a rather disap-

pointing season, backs against Dayton university at Cleveland. Marietta should have little trouble with Grove City in the interstate game in Pennsylvania.

Education begins the gentleman, but reading, good company and reflection must finish him.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

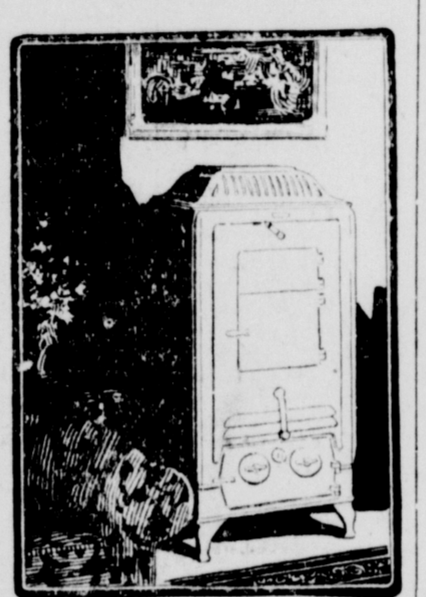

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 15c and 30c.

WOMAN SO BLUE SHE CRIED

Because of ill health—Tells How She Found Relief by Taking Lydia E. Pinkham's Vegetable Compound

Burlington, Iowa.—"I used to dread the time for my monthly period as it came every two weeks and lasted for two weeks, and during that time I would have the blues and cry. Since I have taken Lydia E. Pinkham's Vegetable Compound I am so happy I can hardly express myself. I have gained several pounds and look fine. I have recommended your medicine to my friends and you may publish my letter as a testimonial. I hope your medicine will give others the relief it did me."—Mrs. RALPH GAIL, 2921 Des Moines St., Burlington, Ia.

Lydia E. Pinkham's Vegetable Compound is a medicine for ailments common to women. It has been used for such troubles for nearly fifty years, and thousands of women have found relief as did Mrs. Gail, by taking this splendid medicine.

If you are suffering from irregularity, painful times, nervousness, headache, backache or melancholia, you should at once begin to take Lydia E. Pinkham's Vegetable Compound. It is excellent to strengthen the system and help to perform its functions with ease and regularity.

LEETONIA NEWS

Mr. and Mrs. George Ferguson and son, George, Jr., who have been staying at the home of their mother, Mrs. Lydia Weaver, during the illness and death of their father, H. D. Weaver, returned to their home in Warren Monday.

Mr. and Mrs. P. M. Kelley received an old fashioned wedding Monday night to which the bride and groom responded with a generous treat for the musicians.

Mr. and Mrs. Harry Daugherty and children Kathryn and Bobbie returned from Salem Monday where they spent several days in the home of their mother, Mrs. C. M. Duncan.

Mrs. Frederick Nilson, who was called here by the death of her father, spent Sunday in Youngstown with Mr. Nilson's parents and Wednesday she left Leetonia with her two children and her mother, Mrs. Lydia Weaver, for her home in Rochester, N. Y., where Mr. Weaver will spend some time, possibly during the winter.

Mrs. L. D. Royer has gone to Warren to visit for some time in the home of Mr. and Mrs. Howard Shook. Mrs. Shook has been quite ill.

Mr. and Mrs. T. C. Weimer enjoyed a visit Sunday from their mother, Mrs. W. N. Haning and daughters, Miss Helen Haning and Mrs. Harold Hayes and her little daughter Betty Jane, of Smith Ferry and Lester Moore of Midland, Pa.

Teachers at Convention
Miss Emma Fording left for Cleveland Wednesday where she will attend a meeting of the Northeastern Ohio Teachers' association. Others from here will go Thursday afternoon, reaching Cleveland for the evening session. The Leetonia schools will have a vacation Friday in order that the teachers may all have an opportunity of attending.

Brother Dies
Emmett Morgan received word Tuesday morning that his brother Ira Morgan had died at his home in Youngstown and that his body would be brought to Leetonia for burial in Oakdale cemetery.

Mrs. Paul McGiffin spent Tuesday in Columbiana.

Mrs. Lillian Fasnacht and sons Grover and Leo, Canfield, were guests in the home of Mr. and Mrs. Harry Tittler, Somers, Pa.

Mrs. Harry Laughlin was a Columbiana caller Tuesday.

Mrs. Charles Williams, Spring, spent several days in town this week.

Says Allenrhu Surely Conquers Rheumatism

Winchester, Ky., Citizen Cheerfully Recommends This Wonderful Remedy to All Sufferers

His letter follows: "Burns Avenue, Winchester, Ky. I had severe rheumatism for three months; tried several remedies without receiving any benefit whatever. A friend advised me to try ALLENRHU as it had cured him. I bought three bottles from the George Drug Co., this city. When I began taking this medicine I was unable to do any work. I could neither dress myself nor raise my hand to comb my hair. I am now almost well and feel confident this last of the three bottles I am now taking will completely cure me. I can cheerfully recommend this truly wonderful remedy to any rheumatic sufferer." Signed Asa E. Keer.

ALLENRHU has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiful and where the patient was helpless.

Druggists guarantee the first pint bottle to show appreciable results or money back in every instance. All druggists can supply you.

Eighth Grade Party

The pupils of the eighth grade held a delightful Halloween party Tuesday evening in the South Side school auditorium which was beautifully decorated for the occasion. Halloween games, fortune telling and a lunch in keeping with the day afforded pleasures for the evening.

Michael Briggs, Misses Gussie Ginter and Carmen Strouse were Columbiana visitors Tuesday night.

COLUMBIANA

A progressive party was held Monday evening by the Fancywork club. This is an annual affair for a dozen

matrons of Columbiana and their husbands who on this occasion share in the joys of a sociable time and elaborate refreshments. The following residences were used as stations along the way: Melvin Forbes, Dr. Pei-ger, Elmer Coyle, Charles Furman and C. D. Strickler.

William McGale of South Bend was visiting his mother Mrs. Henry McGale on Friday.

Mr. and Mrs. William Gunder of Warren, spent Sunday with Mr. and Mrs. Joseph King who is recovering from illness.

Mrs. Henry Troll of Youngstown spent the week end with Charles Troll and family.

Mr. and Mrs. James Stewart of Moundsville were week end visitors

Why Mothers no longer fear Child-birth

An eminent physician has shown why there is so much useless suffering on the part of many expectant mothers, for months before baby comes, as well as when baby actually arrives.

This same great doctor found the way to avoid much of this suffering. Mother, your baby's nerves, its whole structure should be free from any influence caused by your months of useless misery and pain. You yourself can be free from much of it. Here is a little message to all expectant mothers:

Mrs. Ida Milton, 108 N. Tremont St., Kansas, Mo., writes: "I am forced to say something in regard to your wonderful 'Mother's Friend.' Just one application gave me such relief I could hardly realize I was in pregnancy. Before I used it I was suffering with pains all over, and today, I am able to do my housework with all ease and without pain."

FREE BOOKLET ON MOTHERHOOD

Don't let false modesty keep you from this duty to yourself, to your child and to your home. By all means, you should have our valuable illustrated book, sent free. Send for your copy now to Bradfield Regulator Co., B.A. 75, Atlanta, Ga. Get "Mother's Friend" from your druggist today.

It Is Folly to Neglect Your Battery When Our Battery Experts Are So Near

If you now are using your car, give your battery the hydrometer test every week. Make it yourself or let us do it for you. It should show 1.250 specific gravity, the safety mark to prevent freezing. Keep your battery to this mark and no trouble will result. If below this test you need a freshening charge, to build your battery up.

No matter what make of battery you now have in your car, let us add distilled water and make tests periodically. We have a service battery for your car while repairs are being made. If special attention is needed after the test our experts are ready to give it. Our Charges are nominal, our work guaranteed.

Our men are factory schooled. Each knows every make of battery—repairs, inspection, recharge—thoroughly. We have batteries and battery parts for every make of car. All work and all batteries sold and guaranteed with the sort of warranty you would write yourself. Expert advice on any storage battery problem.

Why leave your battery in your car and liable to destruction when a phone call will bring our service car to your garage?

THE UNIVERSAL CAR

New Roadster

Business men—with whom the runabout has always been very popular—are well pleased with the changes embodied in this model. Always rugged, the car has been made decidedly trimmer and more comfortable.

This result is obtained by raising the radiator and enlarging the cowl; making a decided improvement in looks and providing more leg room.

A well designed top and slanting windshield do their share toward adding a finished, clean-cut appearance.

Make it a point to see the other new models also on display in the nearest Ford dealer's show room.

GAME CHIEF TO STOP POLLUTION

Thompson Starts Movement To Protect Fish In Ohio Streams.

Columbus, Nov. 1.—Elimination of the killing of fish in creeks and rivers the causes of stream pollution and of Ohio is the goal sought to be attained by Dent O. Thompson, chief of the Division of Fish and Game, Department of Agriculture.

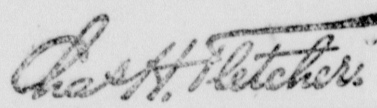

It is Thompson's intention he declared today, to enforce the law vigorously in an attempt to stop the killing of fish and making streams a menace to public health, rather than a thing of beauty and a joy forever, as nature intended, he stated.

The head of the department has sent out blank forms to the 65 paid fish and game protectors in the 88 counties of Ohio, requesting them

Especially Prepared for Infants and Children of All Ages

Mother! Fletcher's Castoria has been in use for over 30 years as a pleasant, harmless substitute for Castor Oil, Paregoric, Teething Drops and Soothing Syrups. Contains no narcotics. Proven directions are on each package. Physicians everywhere recommend it. The kind you have always bought bears signature of

to make an immediate survey of streams in their territory, giving the names of the streams, their mileage, how polluted, where pollution originates, miles affected and extent of pure water existing.

They are also required to report on sewage disposal and how such waste is affecting streams.

"We intend to seek co-operation with local boards of health in clearing up the condition," Thompson said, "putting into force plans worked out by J. T. Travers, superintendent of streams. Owners of factories in many cases unconsciously destroy the efficiency of streams as breeding places of fish. It is this condition we wish to remedy, so that the waters of the state may be made good fishing grounds," he added.
